The examinations for the M.A. Degree will be held in the Maharaja's College, Mysore, and those for the M.Sc. Degree in the Central College, Bangalore.

The *Viva Voce* examination may be continued, if necessary, on Saturday, the 31st July 1937.

Applications for the examinations should be sent through the Principals of the Colleges concerned. Forms of application can be had from the Principal. They will not be supplied to candidates by the University Office.

The last date for the receipt of applications will be fixed and notified by the Principal of the College concerned.

Candidates who have offered a thesis should submit the thesis to the Principal of the College concerned on a date to be specified such that all the theses may be sent so as to reach the University Office on or before the 21st June 1937. Attention is invited to the following instructions regarding the submission of the thesis and its publication.

A. Submission of thesis.

1. The thesis shall be sent in a sealed cover on or before the prescribed date and shall be submitted in duplicate written in hand, in ink, typed or printed.

2. It shall embody the results of research or investigation carried out by the candidate.

3. It shall be accompanied by a statement indicating the sources from which the candidate has derived information or guidance for the work and extent to which he has availed himself of the work of others and the portions of the thesis which he claims as original.

4. It shall be accompanied by a declaration to the effect that the thesis is not substantially the same as any that has already been submitted for a degree in this or any other University.

5. It shall be accompanied by a report of the Professor of the University under whom the work of the candidate was conducted.

Note.—A candidate unsuccessful at a previous examination for the Master's Degree, offering an amended or amplified thesis at a second or subsequent appearance should furnish with the thesis a note indicating the amendments or the extent of the amplification or both; and in addition a certificate to the effect that the thesis has not been submitted for a degree in any other University, either in its original or in its amended or amplified form.

B. Publication.

1. The thesis shall be considered the property of the University.

2. The University shall have the right to publish any thesis in such manner as it deems fit.

3. Permission of the University Council shall be obtained in each case for publishing it.

4. The University may suggest any modification in regard to the thesis which should be effected before permission is granted for publishing it.

5. In publishing a thesis, it shall be mentioned that the thesis was offered for the Master's Degree of this University.
